

ANGREZI MEDIUM 4

BRIDGING THE DIGITAL DIVIDE

48 Lessons for 6 Months, Twice Weekly for 1 Hour Each.

India's First 'Each One Teach One' Mentorship Mission, where one urban Middle/Senior School, College Student or Individual Students in their private capacity mentor One Rural Child from Classes 1-4 in English Skills.

Empowering both Urban and Rural Students. Mentors from prestigious urban schools connect with rural students, creating transformative learning experiences while gaining skills in virtual teaching and technology. Students from USA also actively teach rural students using Angrezi Medium Blended Knowledge Management Classroom.

A collaborative mission: Launched by Rotary Club of Calcutta Ayyanna in partnership with Pathanam and The Education Trust. Angrezi Medium tackles rural literacy challenges and ignites hope for a brighter future.

One Student Teaching Another Student, over 6 Months, both benefiting from the experience.
Online Teaching with Calibrated Lesson Plans done by Experienced Educators.
